# Congratulations and Welcome!

We are excited to provide you with your home entertainment and communications needs. Our fiber-optic network solution will provide you ultrafast Internet and excellent digital call quality.

- Experience ultrafast Internet with upload and download speeds up to 2 Gigabit (that's 2,000 Mbps) with unlimited usage – no data caps or throttling.
- Advanced Wireless Wi-Fi 6 Mesh Router
- Unlimited calling plans options with excellent clear call quality

## Your Included Services:

- **Internet - Up to 2 Gigabit Symmetrical**
- **One (1) Wireless Wi-Fi 6 Mesh Router**
- **Courtesy - One Amazon Fire Stick (mailed upon service activation)**

## Activating your NEW services is as easy as 1, 2, 3!

1. Speak to one of our friendly representatives to select the services that fit your needs: **1.877.678.6648**
2. Schedule your installation appointment.
3. During your installation, our technician will connect and provide an overview of your new services.

## Adding TV Services

Through our partnership with DIRECTV® you can add DIRECTV STREAM<sup>SM</sup> as your TV service. No antenna required, just your Summit Broadband Internet which is made for heavy streaming, gaming, and more!

## DIRECTV STREAM<sup>SM</sup>

- Sign up and instantly start streaming live TV and On Demand
- Cloud DVR storage. No annual contract. Simple Pricing
- Stream anytime, anywhere on multiple devices

\*Summit Broadband: Prices subject to change. All services and products are available for residential use only. Internet Speed of 2000 Mbps download is for wired connection only. Wireless speed subject to customer's equipment and environmental factors. Services and pricing are subject to change. Taxes, fees, surcharges (including \$6 monthly NAC telephone surcharge) and usage charges apply to all Summit Broadband product and services. Main Wi-Fi 6 unit required when adding an extender. Internet service is available for residential use only. SUMMIT BROADBAND may have the right to exclusively market its communication services in the Premises; if so, that right does not suggest SUMMIT BROADBAND is the only entity that can provide communications services to tenants. Services from an alternative provider may be available. For one time charges such as installation and other technical services, please contact Summit Broadband. Summit Broadband rates are as of January 1st, 2023. Summit Broadband is an authorized DIRECTV® retailer. DIRECTV® services are not billed by Summit Broadband. DIRECTV STREAM<sup>SM</sup> service plans vary from \$74.99 - \$154.99 plus tax. Call for details.

\*DIRECTV STREAM: Service subject to DIRECTV STREAM terms and conditions (see directv.com/legal/). Requires high speed internet. Minimum internet speed of 8Mbps per stream recommended for optimal viewing. Compatible device req'd. Residential U.S. customers only (excludes Puerto Rico and U.S. Virgin Islands). Channels vary by package & billing region. Taxes: State & local taxes or other governmental fees & charges may apply including any such taxes, fees or charges assessed against discounted fees or service credits. DIRECTV STREAM Device: New device for well-qualified customers \$10/mo. for 12 mos. on 0% APR installment agreement. Non-qualified customers must purchase devices up front. Applicable taxes due at sale. 2023 DIRECTV. DIRECTV and all other DIRECTV marks are trademarks of DIRECTV, LLC. All other marks are the property of their respective owners.
